The screenshot shows a web browser window displaying the Autodesk Knowledge Network page for "2016: Product keys for Autodesk products". The page is in Korean and provides information on how to find product keys for Autodesk 2016 software. It includes a table of product names and their corresponding keys, a "Need Assistance?" button, and a "Translate this Page" widget.

2016: Product keys for Autodesk products

Product keys are required for installation of Autodesk products and are used to differentiate products that are both sold independently and as part of a product suite. For example, installing AutoCAD 2016 as a point product requires product key **001H1**, but installing AutoCAD 2016 from the Autodesk Product Design Suite Ultimate 2016 requires product key **781H1**. The same version of AutoCAD is in both software packages but the product key differentiates one package from the other.

Note: Please ensure you are using the correct product key for the Autodesk product and version you are installing. Entering an incorrect product key will result in activation errors for that product.

The product keys for Autodesk 2016 products are as follows:

Product Name	Product Key
Autodesk 3ds Max 2016	128H1
Autodesk 3ds Max Entertainment Creation Suite Standard 2016	661H1
Autodesk 3ds Max with Softimage 2016	978H1
Autodesk Advance Concrete 2016	960H1
Autodesk Advance Steel 2016	959H1
Autodesk Alias AutoStudio 2016	966H1
Autodesk Alias Concept 2016	A63H1
Autodesk Alias Design 2016	712H1
Autodesk Alias SpeedForm 2016	A62H1
Autodesk Alias Surface 2016	736H1
Autodesk AutoCAD 2016	001H1
Autodesk AutoCAD Architecture 2016	185H1
